

W.I.N.K – COVID -19 Breakroom Social Distancing Safety Alert

Description: COVID-19 Safety and Infection Control Considerations in Staff Breakrooms

Following the actions below will help you and your coworkers stay safe!

- Always wash your hands before and after entering a shared workspace or break room. Ensure soap is available at all sinks with paper towels for drying and/or hand sanitizer to clean hands regularly.
- Follow CDC social distancing guidelines by spacing tables and chairs six feet apart. If possible, reduce seating/furniture.
- Stagger break times to minimize the amount of staff using the common areas.
- Do not share food or utensils.
- Identify conference rooms that can be converted to breakrooms.
- In an effort to protect one another, kindly remind each other of these precautions.
